The Registrar,

Victoria College.

Dear Professor Langford:

I should have written to you before about the invitation for Friday evening, but possibly Chancellor Bowles will have said that my wife and I shall if at all possible be glad to be with you. I have to leave, however, that night for Ottawa and could only stay a short time. It will depend upon the state of health of our little boy whether my wife will be able to be with you, but if she is not you will understand this is not [redacted] lack of [redacted].

With kind regards, I am,

Yours sincerely,

President.
